

The Top Ten Pain Relasers

Put the power of choice & change back into your hands!

Open to all: RNs, LPNs, PTs, Vets, LMTs, Parents, Seniors...

Would you like to learn how to get feedback from the body using just a muscle test?

How about balancing yourself, clients and/or loved ones on a **Structural, Emotional & Nutritional** level?

Learn:

- Three natural techniques that will raise your energy level.
- How you can release tight neck muscles in about 30 seconds.
- How you can trace an acupuncture meridian for relief of surface pain.
- Experience how emotional stress can dissipate literally under your fingertips.
- How to release a cramp or spasm in less than 5 Sec w/out touching the muscle.
- Discover how music can relieve both stress & physical pain in less than 3 minutes.
- How to determine if you are dehydrated in any given moment using muscle testing.
- Experience the Brazilian Toe Massage an excellent natural remedy for insomnia & nausea.
- Learn how to get feedback from the body by simply muscle testing others as well as yourself.
- Have chronic muscle or joint pain caused by injury? 90% of injury related problems will positively respond to this technique & most w/ full recovery! **And much more!!**
