

**TOUCH FOR HEALTH KINESIOLOGY Cert. Prg.  
FOR LAYPEOPLE & HEALTH CARE PROF.**

**Touch for Health Kinesiology** uses muscle testing as a way of assessing the flow of energy (chi) through the acupuncture meridians and the various body systems, to create balance within the body on different levels like the **structural, emotional & nutritional**

**Learn how to:**

- Define life goals & balance energy to meet them
- Quickly relieve emotional stress
- Identify energy draining foods
- Relieve chronic aches & pains
- Assess and correct body posture
- Integrate "Muscle Testing" into your life & practice
- Balance Chinese acupuncture meridians w/out needles
- Do surrogate testing for people, children & animals who cannot be muscle tested directly & much more!

**Special Offers**

**Register for:** 2 different TFH courses & get **\$70 OFF**  
 3 different TFH courses & get **\$100 OFF**  
 4 different TFH courses & get **\$160 OFF**  
**Or bring 3 people to any class & get your class for Free!**  
 Or repeat a class & get **50% OFF**

**To register:** Send the full amount payable to Virginie Vandevorde Services, 400 Central Park W. #5M, NY, NY 10025. Include name, address, phone, email, course you are registering for & how did you hear about us or the Ref# on this flyer.
