

TOUCH FOR HEALTH™ KINESIOLOGY

Learn how to balance & get feedback from the body on a **Structural, Emotional & Nutritional** level. **Open to all:** RNs, LPNs, PTs, Vets, LMTs, Parents...

Learn how to:

- Define life goals & balance energy to meet them
- **Quickly relieve emotional stress**
- Identify energy draining foods
- **Relieve chronic aches & pains**
- Assess & correct body posture
- **Integrate Muscle Testing into your life & your practice**
- Balance Chinese acupuncture meridians w/out needles
- **Get feedback directly from the body w/ muscle testing**
- Do surrogate testing for people like children who cannot be muscle tested directly (also works on animals)
- **And much more interesting techniques to learn!**

2011 Fairfax, CA 30 min from San Francisco

@ The Lighthouse Wellness Center
